

# Ob/Gyn

Associates of Holland P.C.

To Our Valued Patients:

Effective January 1, 2021, our practice will be making some changes in the way that we see you as our patient. We will no longer be providing primary care services to patients that are age 50 or older. We will continue to see you for any obstetric or gynecological needs that you may have such as your annual wellness visit or any female related health concerns.

We want to make this transition as easy for you as possible. To this end, here is a list of potential primary care providers to choose from that you may contact to establish care with for any condition that is not ob/gyn related. (sore throat/ear pain etc.)

#### Holland Community Health Center

336 S. River

Holland, MI 49423

(616)394-3788

Margret Duncan, MD (New patients can expect to wait several months to see Dr. Duncan)

#### Lakeshore Health Partners:

New patient phone number for all new patients: (616)394-3200.

We look forward to working with you in the future and providing you with quality care for your ob/gyn related health care needs. Should you have any questions during this process, please feel free to contact our office and we will be happy to assist you. If you would like to have your medical records sent to a new physician, please visit our website to print our release of records document or contact our medical records department to have this document emailed or sent to you.

Sincerely,

Ob/Gyn Associates of Holland PC
